General operations support

Project/programmatic support

**Impact Area:** The Constellation Fund invests in and empowers organizations that demonstrably raise the living standards of individuals living in poverty in the Twin Cities. To do this, we focus our support on three key impact areas: education, health, and housing. Please select the impact area most relevant to this grant request.

1. What percent of your participants are low-income, defined as living under 185% of the federal poverty guidelines?
2. In which counties does the program or organization for which you seek funding operate?

**Grant Purpose:**

[200 words max]

i. Tell us how you would use a grant from the Constellation Fund. Grants can be used to support a specific program or general operations. This summary should articulate the proposed work, define the beneficiaries, and describe the intended impact.

**Estimated Grant Request Amount:** [Dollar amount only is required for this field]

What grant amount from the Constellation Fund would constitute a meaningful contribution? Note: While Constellation hopes to build long-term relationships with its grantees, remember that all of our initial grants are one-year in length, so please consider that as you estimate your request. During this

grant round Constellation anticipates its smallest grants to be \$50,000 and organizations are encouraged to discuss the amount with an Impact Officer. Ask for what your organization needs and please know organizations will not be disqualified based on the amount requested.
